Component

The diagram features a white rectangular box with a thin black border. Inside the box, the text «Annotation» is on the top line and **Component** is on the bottom line. Three lines extend from the left side of the box: a thin black line from the top-left corner, a medium-thick black line from the middle-left edge, and a very thick black line from the bottom-left corner. The very thick line extends diagonally downwards and to the left, ending near the bottom-left corner of the image.
